Hackers published contact information for 20,000 FBI employees Monday afternoon

The Justice Department is actively investigating the incident

**Washington (CNN)** — Hackers, making good on their threat, published contact information for 20,000 employees Monday afternoon, just one day after releasing similar data on almost 10,000 Department of Justice employees.

The hackers, tweeting from the account @DcHackers, claim they obtained the details by hacking into the Department of Justice database.
