

About the CTF challenges

For each challenge, there will be a **fair amount of materials to learn and to understand** before being able to start working on a solution

Each challenge is **highly experimental**

Warning - the course load is significant

About the midterm and final exam

You will be tested on your understanding of:

- the content covered in **lectures**
- the content covered during **tutorials**
- the content covered in the challenges including the **handout, the commands, and the starter code**
- every **command and line of code** that you have used for producing and running **your solution**
