GET /?videoId=527

<html . . .

Content Spooling

A red speech bubble with a white border and a pointed tail on the left side, containing the text "The page contains the attacker's ad." in white font.

The page contains the attacker's ad.

# Content Spoofing

GET /?videoid=527

<html ...

The page contains the attacker's ad.

\* Notice that Youtube is **not** vulnerable to this attack

# Problem

- ➡ An attacker can inject HTML tags in the page
- ⦿ Add illegitimate content to the webpage  
(ads most of the time)
