About the CTF challenges

For each challenge, there will be a fair amount of materials to learn and to understand before being able to start working on a solution

Each challenge is highly experimental

Warning - the course load is significant

About the midterm and final exam

You will be tested on your understanding of:

- the content covered in lectures
- the content covered during tutorials
- the content covered in the challenges including the handout, the commands, and the starter code
- every command and line of code that you have used for producing and running your solution
