The Morning Show
Cyber scams: How to recognize deceptive advertisements online

The segment ran out of time before Mackenzie could elaborate, so we got an exclusive interview with the woman herself to learn more about this controversial opportunity.

EXCLUSIVE INTERVIEW WITH CAROLYN MACKENZIE

"You may have heard about this new *cryptocurrency investment platform* called *Immediate Connect* that's helping regular people make money. It sounds like a great opportunity, but you may be skeptical because it sounds too good to be true."

TECH TALK

How to spot online scams & deepfakes

Right now because I thought the same thing when my boss asked me to do it. I was like, 'I had to try it for myself.' how much money he was making. I had to try it for myself.
